OAR Education

Wow! That was some presentation by the C.A.R.'s Fatima Sogueco: very orderly and clear. I was particularly impressed with how Fatima answered every question with great authority. Thank you for bringing in such experts as Fatima to the OAR. These training opportunities are an invaluable benefit to the membership.

Kind regards,

Gloria Fangon-Hitz, OAR Member

Thank you for organizing the Commercial Mixer as well as a lot of other recent events in OAR.

As an independent broker, I value all OAR educational arrangements very much, and try to attend them regularly. Thank you very much.

Best regards.

OAR Member Services

I have so far had a wonderful experience with Oakland Association of REALTORS® mostly thru the services of your team member Eugene Campbell. He was the 1st person I spoke with at OAR and he was extremely professional and courteous then and on several subsequent encounters. As a new REALTOR®, it took me a while to understand all the relationships and functions of the various professional groups OAR, EBRD, CAR and NAR. Eugene patiently answered all of my questions posed thru several different phone conversations and in person when I came for orientation. You are fortunate to have such a dedicated person on your staff.

Best,

Valerie Ruma, OAR Member
