

## **Thank you for making your calls OAR Members!**

The governor yesterday signed into law measures to bridge California's \$26.3 billion budget gap. Over the past several weeks during the budgeting process in Sacramento, \*C.A.R. vigorously fought a proposal that would have subjected independent contractors to an additional 3 percent withholding on their earnings that was included in an earlier version of the budget\*. In the last few weeks, more than 8,000 REALTORS® called their legislators using C.A.R.'s mobilization hotline to voice their opposition to the proposal. Countless others e-mailed, wrote, faxed, or contacted their legislators directly. As a direct result of members' involvement in the political process, the proposal to withhold an additional 3 percent from independent contractors on their earning was not part of the legislation signed yesterday. The Board of Directors, C.A.R. and the Leadership Team would like to thank all members who participated in our efforts to defeat this proposal for a job well done!!
