

Everyone,

This year we need your help once again for this very worthy program. As REALTORS®, most of us have been affected by recent economic events and many of us may be feeling that it is not a good year to give. Remember, we are not the only ones having a rough time. Oral Lee Brown's kids are from the poorest neighborhoods in our community and without our support their dreams of college may not be realized. Please do what you can to help them.

Ms. Brown's foundation adopts a new group of 2<sup>nd</sup> grade Oakland students every two years. The foundation provides the students with mentoring, tutoring, computer training, recreation activities, as well as grade and attendance monitoring.

The Oral Lee Brown Foundation is proud to announce that all eighteen high school seniors in our program will be graduating from Oakland area high schools with grade point averages of 3.5 or higher. All of these students have applied and each has been accepted to at least four colleges.

Thank you again for your continued support and commitment, and I hope we can continue to count on you in the future. Do not hesitate to contact me if you have any questions regarding the Oral Lee Brown Foundation and how your fundraising donations help us.

Sincerely,

Terry Anthony  
Oral Lee Brown Foundation Taskforce Chairperson
